Re: Poemoceah v. Morton County
Appeal No. 21-1207

Dear Mr. Gans:

I am writing to inquire as to when we can expect oral argument to be scheduled in the above-referenced appeal. The reply brief was submitted almost 2 1/2 years ago, in June 2021, and the appeal was docketed nearly three years ago, in January 2021. I have noticed many cases that were docketed and fully submitted much more recently than ours have had oral argument. When I called the clerk quite a while ago they assured me that the case was screened for argument. I see in the Internal Operating Procedures that such cases are supposed to be scheduled for argument "on the earliest available calendar."

Any information you can provide would be appreciated.

Sincerely,
/s/ Marianne Dugan
